

NO MATTER THE SITUATION, HMH IS HERE FOR YOU!

[At-Home Learning Support](#)

Whether you are an educator, student, or family member, you can count on us for support during the academic year and throughout the summer.

As schools and districts facilitate and plan for continued at-home learning, we're here to help with digital access and services, free online resources, and ongoing support, so you can keep teaching and learning no matter where you are.

Visit our dedicated [At-Home Learning Support Website](#) to find free online resources, program access, activities, and more!
