

Lexia Learning

Online Resources for Remote Learning

FREE Webinar on school operations, student mental health and considerations for reopening schools to students and staff when the pandemic is over.

Both [Lexia® Core5® Reading](#) and [Lexia® PowerUp Literacy®](#) can be used from home as part of a remote learning implementation during extended school closures or other special circumstances.

Please visit www.lexialearning.com/va for more information or contact a representative below to learn more about:

- Utilizing Core5 or PowerUp in a remote learning environment
- Working online and/offline using Lexia's instructional resources
- Supporting students and parents during the remote learning period
