

## **NEWSELA**

### **FREE ACCESS TO ELA, SOCIAL STUDIES, SCIENCE AND SEL COLLECTIONS**

In order to best assist during the COVID-19 related closing, Newsela is giving away access to Newsela ELA, Newsela Social Studies, Newsela Science, and our Social Emotional Learning collections to every district in Virginia for the remainder of the 2019-20 school year.

Newsela publishes 5-10 articles daily, from trusted news sources, and published at 5 lexile levels. Texts can be accessed from any device, as well as printed. Individual teachers, schools, or full districts qualify for the free access, and entire districts can be setup quickly to lessen the load of district administrators.

Additionally, Newsela is offering premade lessons, daily professional development, and up to date information on the changes around the world.

To find out more, or enroll for free access, go to the following link: <https://newsela.com/about/distance-learning/>
