

RETHINK ED

FREE ACCESS TO ONLINE SEL SUITE AND SEL TOOLKIT & COVID-19 RELEVANT WEBINARS

Rethink Ed will provide districts that are planning closures for preventative health measures with a tool kit that will include webinars, whitepapers, tips and strategies for supporting your entire community during this time of uncertainty. We will offer free access to our online Social Emotional Learning Suite through the remainder of the school year. Please click on the links below:

In addition, we've also just released two new expert-led webinars that can be used to support addressing stress that this uncertainty can cause:

Steven Tobias, Psy.D

Director of the Center for Child & Family Development

[Dealing with Stress and Anxiety in these Uncertain Times](#)

Blaise Aguirre, MD

Medical Director at McLean Hospital

Assistant Professor of Psychiatry/Harvard Medical School
